Invitation for Bids

Repairs to Old Mill Road Bridge at Bowers Brook

The Town of Harvard is seeking sealed bids for traffic safety improvements and concrete repairs to the Old Mill Road bridge that spans Bowers Brook in Harvard, Massachusetts. Detailed work includes the replacement of non-compliant guardrail with TL-2 guardrail, end treatments, transitions, thrie beam bridge rail, and other incidental work. Concrete repairs to the existing substructure are part of the project and require the implementation of temporary cofferdams to construct in the dry.

Sealed bids must be hand delivered with all legally required forms as stipulated in the bid packet by Thursday, Sept. 16, 2021, at 2 p.m., to the Harvard Department of Public Works, 47 Depot Road, Harvard, MA 01451; Attention: Tim Kilhart, DPW Director.

The Invitation for Bid will be released Aug. 26, 2021, at 8 a.m., at which time electronic copies of the contract documents will be available via the engineer's website: www.theengineeringcorp.com/bids.
