Request for Proposal

Notice is hereby given that the Town of Harvard Public Schools are seeking bids from qualified Heating and Ventilation and Air-Conditioning (HVAC) contractors for the purpose of Installation of Two Greenheck Mark ERV Model ERCH-55-15-15H-16P-HW-01 units, including any necessary controls from BCM Controls, to add to the upgrades of Greenheck units already installed at The Bromfield School, 14 Massachusetts Avenue, Harvard, Massachusetts 01451. Request for Proposal (RFP) Packages with specification will be available by emailing Patrick Harrigan at pharrigan@psharvard.org. Additionally, the RFP will be on the Harvard Public School website <http://psharvard.org/departments/facilities>. It is required that all bidders provide contact name, address, phone number and email address when picking up specifications.

All bids must conform to the specification of the IFB and be submitted on the proper forms to be considered a valid bid. Sealed bids entitled "RFP for HVAC- HRU- 1&2 Complete Installation of New Units" will be accepted at The Bromfield School, 14 Massachusetts Avenue, Harvard, Massachusetts 01451, until Dec. 15, 2021, at 2 p.m. at which time the bids will be publicly opened and read at a Zoom meeting. The link for the Zoom meeting will be sent to all that apply prior to the bid opening.
